Assistant Commissioner for Patents  
Washington, D.C. 20231

Attention: PCT Legal Office

Dear Sir:

This paper is in response to the decision on petition under 37 CFR §1.47(a) in the above-captioned application. This response is timely, although the petition did not have a cover sheet with a mailing date, as the first page was date stamped May 22, 2002. Therefore, assuming the mailing date is May 22, 2002, applicants' response is due within the 2-month statutory deadline set forth in the petition, or July 22, 2002. According to our certificate of facsimile transmission attached hereto, this paper is being faxed to the PCT Legal Office on June 14, 2002, well before the statutory deadline.

Applicants respectfully request that the declaration filed 10 December 2001 entitled "Declaration of Facts by Attorney For Inventor That Cannot Be Located," which was treated by the United States Patent and Trademark Office as a petition under 37 CFR §1.47(a) be withdrawn in light of the concurrently submitted Declaration and Power of Attorney executed by the previously-missing inventor. The petition is now moot since Mr. Friedl has now joined in the application, and all the inventors have now executed the

declaration and power of attorney. The application should now be submitted to the examining group for examination.

It is believed a fee is not required for the filing of this paper; however, if a fee is required, the Commissioner is authorized to charge our deposit account number **50-0622**. If a telephone call would expedite the prosecution of this application, the PTO representative is invited to call the undersigned at 703 683 3600

Respectfully submitted,

SHANKS & HERBERT
